REPORT NO.

## A. Roads

1. The road running along the Greek border from Bitolj to Skocivir - Petelin - Starovina - Cerova Poljana - Pet Cesmi is being repaired and widened. This road is about 90 kilometers long. Previously this road went as far as Starovina and its total length was 78 kilometers.
2. The road from Skocivir to Kajmakcalan is under repair.
3. Repair work is under way on the Demir-Kapija - Mrezicko road. This road is 44 kilometers long.
4. A new road is being built which will link Miletkovo with Visoka Cuka. Its length will be 28 kilometers.
5. The military road which starts at a point about 15 kilometers from Bitolj and runs through the Radin-Begov bridge (near the Dunje village) as far as Vitoliste is now being repaired and widened.
6. All bridges damaged or destroyed during the war were repaired.

## B. Railways

1. A new railway line completed in 1947 links Demir Kapija (locality and railway station) with Klisura, a locality situated on the right bank of the Vardar River. (In the past the railway ran along the left bank) The new line is 14 or 15 kilometers long and it links Demir Kapija with Devdelija.
2. Plans are being prepared for the construction of a railway line from Kumanovo, Yugoslavia to Kyustendil, Bulgaria.
